**Detailed Rationale**

The rating revision is because of lack of adequate information with respect to Draken Metals Trading Private Limited (DMTPL)'s performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

**Non-cooperation by Issuer**

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide letter communications dated August 27, 2019, September 18, 2019 and October 01, 2019 and December 26, 2019 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details and fees for the surveillance exercise.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the bank loan facilities of company aggregating to Rs.150.00 crore shall be moved to the 'ISSUER NOT COOPERATING' category by

Infomerics and the rating be **noted as IVR C ; Issuer Not Co-operating; Based on best available information. (IVR Single C/ /IVR A4 (IVR C/IVR A Four); Issuer Not Co-operating; Based on best available information).**

Accordingly, the lenders, investors and other users of this ratings are requested to exercise adequate caution while using this rating as this rating may not adequately reflect the current credit risk profile of the company.
