Detailed Rationale

The aforesaid rating revision to the bank facilities of Srinivas Infrastructure Private Limited reflects lack of adequate information available about the performance of the company and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the rating revision.

Note on non-cooperation

Infomerics has repeatedly followed up with the company to provide information to monitor the rating(s) vide e-mail July 14th, 2020, July 22nd, 2020, August 12th, 2020. However, despite

Press Release

repeated requests, the company has failed to submit “No Default Statement” for the month of July, Audited financial statements for FY19 and other data for review.

Availability of information is very critical in rating exercise. In the absence of the relevant information, in consonance with SEBI guidelines, Infomerics has moved the long term rating for the bank loan facilities of Srinivas Infrastructure Private Limited aggregating to INR 17.00 crore to the ‘ISSUER NOT COOPERATING’ category. The rating is now denoted as IVR BB+ ISSUER NOT COOPERATING/A3 ISSUER NOT COOPERATING (pronounced IVR Double B Plus ISSUER NOT COOPERATING/ Single A Three ISSUER NOT COOPERATING)

Accordingly, the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.
