Detailed Rationale

The aforesaid rating assigned to the bank facilities of the entity derives comfort from the extensive experience of the promoters in the industry, diversified and reputed client base comprising multinational companies and a comfortable financial profile. However, the rating strengths are partially offset by small scale of operations and customer and supplier concentration.

Key Rating Sensitivities

Upward factors:

- Substantial & sustained improvement in revenues while maintaining EBITDA margin & debt protection metrics

Downward factors:

- Any decline in revenue & EBITDA margin leading to decline in debt protection metrics

Key Rating Drivers with detailed description

Key Rating Strengths

Extensive experience of the promoters in the industry

The promoters have extensive experience in the poly film industry and in managing the company's operations. Mr Subhash Chawra has an experience of over 35 years in the industry of plastics manufacturing along with Mr Hiren Chawra who has an experience of over 16 years in process development, manufacturing and marketing; their ability to introduce a wide range of products catering to the customers' varying requirements aids the business.

Diversified and reputed client base comprising multinational companies

The company has long-term association of more than 5 years with its customers, which result has resulted in repeat orders. The company supplies to reputed companies such as Kimberly Clark Corporation, Johnson & Johnson, among others.

Comfortable financial profile

The company has seen a 42.64% growth in top-line as it has increased from INR37.79 crore in FY19 to INR53.90 crore in FY20 (P); supported by an increase in demand for hygiene products in the domestic as well as the international market. The capital structure also remains comfortable due to low funding requirements in the past three fiscals, their gearing ratio has improved from 1.23x in FY19 to 1.01x in FY20 (P). Their coverage indicators have also improved, with interest coverage ratio improving from 1.74x in FY19 to 3.91x in FY20 (P).

Key Rating Weaknesses

Small Scale of Operations

The company's scale of operations remains small at present with revenues of INR53.90 crore in FY20 (P). The limited profitability has kept the networth at a moderate level amounting to INR19.44 crore in FY20 (P).

Press Release

Supplier and customer concentration

The top 5 suppliers of the company account for over 92% of the total purchases made in FY20 with their top 2 suppliers accounting for up-to 64% of the total purchases, indicating high concentration of suppliers. The company has big name clients such as Johnson & Johnson, Itochu India and Kimberly Clark; the company has had more than 40% of their revenues exposed to a single entity over the past three fiscals. Moreover, the company has an exposure of over 90% to their top 5 customers, indicating a high degree of customer concentration.
