#### Detailed Rationale

The rating downgrade is because of lack of adequate information regarding Velan Kraft House Private Limited's performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

#### Non-cooperation by Issuer

However, despite repeated requests by Infomerics, the company's management has not submitted the essential details.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long- term rating for the bank loan facilities of Velan Kraft House Private Limited aggregating to Rs.43.00 crore shall be moved to the 'ISSUER NOT COOPERATING' category by Infomerics and the rating be noted as IVR BB/Stable; Issuer Not Co-operating; Based on best available information (IVR Double B /Stable: Issuer Not Co-operating; Based on best available information) Accordingly, the
