Details of Facility are in Annexure 1 Detailed Rationale

The rating affirmation is because of lack of adequate information regarding Vijay Transformers performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

Press Release

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide mail communications dated June 23, 2020 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details and fees for surveillance exercise.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long term and short term ratings for the bank loan facilities aggregating to INR8.50 Crore of Vijay Transformers shall still be considered in the 'ISSUER NOT COOPERATING' category by Infomerics and the reaffirmed rating be noted for long term rating as 'IVR B+/stable: Issuer Not Co-operating; (IVR double B plus with stable Outlook: Issuer Not Co-operating) and short term rating of IVR A4 (IVR A Four: Issuer Not Cooperating); based on best available information.

Accordingly, the lenders, investors and other users of this rating are requested to exercise adequate caution while using this rating as this rating may not adequately reflect the current credit risk profile of the company.
