Detailed Rationale

The rating downgrade is because of lack of adequate information regarding Worlds Window Wardha Infrastructure Private Limited's performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the proposed bank facilities, vide letter communications dated July 14th, 2020, July 21st, 2020, July 25th, 2020 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details and fees for surveillance exercise.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long term ratings for the proposed bank loan facilities aggregating to INR50.00 Crore of Worlds Window Wardha Infrastructure Private Limited shall be reaffirmed to the 'ISSUER NOT COOPERATING' category by Infomerics and the rating be noted as IVR C: Issuer Not Co-operating; based on best available information (IVR Single C: Issuer Not Co-operating); based on best available information.

Press Release

Accordingly, the lenders, investors and other users of this rating are requested to exercise adequate caution while using this rating as this rating may not adequately reflect the current credit risk profile of the company.
