Detailed Rationale

Infomerics, vide press release dated February 17, 2020, had migrated the rating of Draken Metals Trading Private Ltd. [DMTPL] under the "ISSUER NOT COOPERATING" category as the company had failed to provide information for monitoring of its assigned rating to the bank facilities. Further, Infomerics has been consistently following up with DMTPL for obtaining information through emails dated 26th February 2021 and March 02, 2021. However, the issuer has remained non cooperative.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.
