Detailed Rationale

The rating downgrade is because of lack of adequate information regarding S.G.S Motors Private Limited performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide mail communications dated January 12, 2021 & January 24, 2021 & Feb 10,2021, Feb 26,2021 & March 09,2021 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details and fees for surveillance exercise.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long term ratings for the bank loan facilities aggregating to INR 30.00 Crore of S.G.S Motors Private Limited shall be moved to the 'ISSUER NOT COOPERATING' category by Infomerics and the rating be noted as IVR BB+: Issuer Not Co-operating; based on best available information (IVR Double B Plus: Issuer Not Co-operating); based on best available information.
