#### Detailed Rationale

Infomerics, vide press release dated May 12, 2020, had revised the rating of Shree Balajee Agro Mills Private Limited (SBAMPL) under the "ISSUER NOT COOPERATING" category as the company had failed to provide information for monitoring of its assigned rating to the bank facilities. Despite repeated follow ups vide mails dated March 08, 2021, March 10, 2021 and March 13, 2021 and concurrently over several phone calls, the company did not provide any information.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.
