Detailed Rationale

The aforesaid rating revision to the bank facilities of Shri Rewa Rice Mills Private Limited reflects lack of adequate information available about the performance of the company and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the rating revision.

Note on non-cooperation.

Infomerics has repeatedly followed up with the company to provide information to monitor the rating(s) vide e-mail January 12, 2021, January 22, 2021, February 03,2021, and February 10, 2021 along with telephonic conversations. However, despite repeated requests, the company has failed to submit Audited financial statements for FY20 and other data for review.

Availability of information is very critical in rating exercise. In the absence of the relevant information, in consonance with SEBI guidelines, Infomerics has moved the ratings assigned
