**Svaksha Distillery Limited**

**Sept 07, 2021**

### Ratings

Sl. No.	Instrument/Facility	Amount (Rs. Crores)	Rating	Rating Action
1.	Bank Facilities- Long Term (Proposed)	70.00	Provisional IVR A (CE)/Stable Outlook (Provisional IVR SingleA (CE) with Stable Outlook)	Assigned
	<b>Total</b>	<b>70.00</b>		

*\* The credit enhancement (CE) rating is backed by corporate guarantee to be given by BCL Industries Limited for the rated facilities.*

### Details of Facilities are in Annexure 1

### Detailed Rationale

The assigned rating takes into account the experienced promoters and key management personnel, strategic location advantage, comfort from corporate guarantee and comfortable project cost structure. However, these rating strengths continues to be constrained by project implementation risk, exposure to agro climatic risk and risk related to government regulations.

The ratings assigned to the proposed bank facilities of Svaksha Distillery Limited also takes into account corporate guarantee from BCL industries Limited. This corporate guarantee results in credit enhancement in the rating of the said instruments to **Long term-Provisional IVR A (CE)/Stable Outlook (Provisional IVR SingleA (Credit enhancement)with Stable Outlook)** against the unsupported rating of **Long Term: IVR BB/ Stable Outlook (IVR Double B with Stable Outlook)**

### Key Rating Sensitivities:

### Upward Factor:

## Press Release

- Completion of project on timely basis without any overruns leading to improvement in liquidity
- Significant and sustained improvement in operating performance leading to sustainable increase in profitability margins.

### **Downward factor:**

- Delay in implementation of project and financial closure within 6 months from assignment of rating.
- Lower-than-expected operating performance leading to a significant decline in margins

### **List of Key Rating Drivers with Detailed Description**

#### **Key Rating Strengths**

##### **Experienced promoters and key managerial personnel**

The director has vast business experience in varied sectors like beverage and construction industry. The senior management are efficiently running their existing distillery plant for the past 10 years in Punjab(BCL Industries Limited) and Infomerics believes the extensive experience of senior management will support Svaskha Distillery Limited in plant erection as well as it's operations and to establish healthy relationship between the customers and suppliers

##### **Strategic Location Advantage:**

The manufacturing unit is located at Mouza, Dist.-PaschimMedinipur, West Bengal which is on main road connecting NH-49(formerly NH-6) connecting Koklata- Mumbai is 3 kms from the site, is 10 kms away from Kharagpur Railway Station . The property is strategically located and is well connected to the other part of the city by road.

The company also enjoys the benefits of abundant quantity availability of raw material( i.e broken rice)as paddy in West Bengal available throughout the year. The presence in paddy growing area gives a competitive advantage in terms of easy availability of paddy, lower freight, and favourable pricing terms.

## Press Release

#### **Project implementation risk:**

Currently the project is in nascent stage. The company was incorporated in June 2014. As of Aug 2021, the Company has purchased the land, order for machinery has been placed and will received in Jan 2022.Considering the pending activities, it is estimated that commercial production of the project would commence from July 2022. However, any delay in obtaining all necessary / statutory approvals, completion of civil works and installation of all critical plant and machineries will lead to time and cost overrun and impact the implementation schedule.

#### **Exposure to agro-climatic risk**

SDL is primarily engaged in grain based distillery, where major raw material is broken rice. Further, availability of rice is dependent on paddy, price of paddy is highly volatile and influenced by climatic conditions. SDL is susceptible to any shortage or price fluctuation

## Press Release

during unfavorable climatic conditions and hence the raw material needs to be adequately stocked for the processing during non-season period. Moreover, changes in the Government regulations pertaining to the rice industry can impact the industry dynamics.

### **Exposure to risk related to government regulations**

The liquor industry in India is governed by strict government regulations and license regime that differ from state to state. Each India's states have their own regulatory controls on the production, marketing and distribution, and even pricing of alcohol. Further, high taxation and duties also make the industry dynamics complex. This makes its operating profitability susceptible to any policy measure announced by the Government.

**Analytical Approach: Credit Enhancement (CE) rating:** Assessment of the credit profile of BCL Industries Limited, provider of corporate guarantee to the bank facilities aggregating to Rs.70.00 crore of Svaksha Distillery Limited.

**Unsupported rating:** Standalone

### **Applicable Criteria:**

Rating Methodology for Manufacturing Companies

Rating Methodology for Structure Debt Transactions (Non Securitisation transaction)
