Detailed Rationale

Infomerics, vide press release dated February 17, 2020, had migrated the rating of India Mega Agro Anaj Limited (IMAAL) under the "ISSUER NOT COOPERATING" category as the company had failed to provide information for monitoring of its assigned rating to the bank facilities. Further, Infomerics has been consistently following up with (IMAAL) for obtaining information through emails dated May 7, 2021 and May 12, 2021. However, the issuer has remained non cooperative.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.
