Long Term Bank Facilities	40.00	IVR BBB+; Stable (IVR Triple B Plus with Stable Outlook)	Reaffirmed	Simple
Long Term Bank Facilities	8.00	IVR BBB+; Stable (IVR Triple B Plus with Stable Outlook)	Assigned	Simple
<b>Total</b>	<b>48.00</b> <b>(Rupees forty-eight crore only)</b>			

**Details of Facilities are in Annexure 1**

#### **Detailed Rationale**

The reaffirmation of rating assigned to the bank facilities of Sahyog Charitable Trust (SCT), a part of Universal Education Group (UEG), continues to derive strength from the long track record of operations of the group along with its strong and diverse presence across the education sector offering varied courses. UEG has an experienced board of trustees and strong management team, satisfactory infrastructure with experienced faculties and satisfactory enrolment rates in the educational Institutes under the group. The rating also factors in improvement in total operating income of UEG in FY23, albeit moderation in profit margins. Further, the rating also considers satisfactory level of response for the three new international schools of the Group which commenced operations from September 2022 onwards. However, these rating strength remains partially offset by the group's susceptibility to regulatory risk and intense competition in the sector. The rating also notes leveraged capital structure of the group with moderate debt protection metrics, however the same improved in FY2023.

#### **Key Rating Sensitivities:**

##### **Upward factors**

- Improvement in enrolment ratio leading to improvement in the operating income and profitability on a sustained basis.

## Press Release

- Improvement in the capital structure with reduction in debt level leading to improvement in overall gearing to below 1x and/or improvement in debt protection metrics with improvement in interest coverage to over 3x
- Improvement in overall liquidity position of the group

### **Downward Factors**

- Dip in operating income and/or profitability due to decline in enrolment ratio impacting the debt protection metrics with moderation in interest coverage to below 2x
- Higher than anticipated debt funded capital expenditure creating pressure on the capital structure thereby leading to moderation in overall gearing ratio to over 2x
- Any withdrawal of unsecured loans thereby leading to moderation in capital structure
- Moderation in overall liquidity position of the group

### **List of Key Rating Drivers with Detailed Description**

#### **Key Rating Strengths**

##### **Experienced Board of Trustees with long track record of operation**

UEG has presence in the education sector since 2003 and runs 48 educational institutes across 34 entities and offers K-12 education, degree and technical courses. UEG was established under the chairmanship of Mr. Jesus S.M. Lall who has over two decades of experience in the education sector. Mr. Jesus S. M. Lall, is a member of the International Advisory Committee of the Educational Institute of India; a Fellow of the Indian Institute of Educational Management; and 2005 “Educational Personality of the Year”. Apart from being the CEO of UEG, Mr. Lall is also a director of the NGO, S. M. Lall Foundation. The operations of the group are looked after by Mr. Jesus S.M. Lall. He is supported by the other trustees and a team of qualified and experienced professionals in managing the day-to-day affairs of the Group.

##### **Diverse presence across the education sector through established schools and colleges offering varied diploma, graduation and post-graduation courses**

UEG offers Pre-Primary, Primary and Secondary education, undergraduate course, graduate courses like BMS, BMM, BBI, BAF, BSC, BBA, B. Com, LLB. Diploma courses in engineering, diploma in elementary education, Bachelor of Education courses (B. Ed) and post-graduate courses like M. Com etc. The engineering courses are approved by The All-India Council for Technological Education (AICTE) with accreditation of NAAC B+ and the respective institutes are affiliated to the Mumbai University. The schools are affiliated to the Indian Certificate of

## Press Release

Secondary Education (ICSE). The combined current strength of all the schools and colleges together is over 25,000+ students.

### **Satisfactory infrastructure coupled with experienced faculties.**

UEG has the privilege of having a large pool of experienced faculty members, which is essential in building a strong brand name and attracting quality students. Further, all the institutes under the Group have modern infrastructure including but not limited to, transportation & canteen facilities and latest tools & technologies.

### **Satisfactory enrolment rates in educational institute**

Enrolment rate depends upon available infrastructural facilities, composition of experienced faculties, placement records and brand image of the institution. UEG has maintained a satisfactory enrolment rate over the past years in all its Institutes.

### **Satisfactory level of response for the three new international schools of the Group**

The group has implemented expansion in terms of putting up three new schools in the name of Stellar World School with International Curriculum. The schools are in Andheri, Bandra and Goregaon (Mumbai) which houses the affluent population who are the target segment of the school. The operations of the schools commenced from September 2022 onwards. The UEG generated a total revenue of Rs.8.92 crore from the new schools in the first year of admission. Going forward, the admissions is expected to increase with increase in demand for international curriculum. The group is also expected to benefit from the new schools in the form of additional revenues in the near to medium term.

### **Improvement in total operating income in FY23, albeit moderation in profit margins**

Total operating income (TOI) witnessed a y-o-y growth of 30.87% from Rs.355.01 crore in FY22 to Rs.464.61 crore in FY23 driven by increase in headcount as well as fee structure in most of the educational institutes operating under the UEG. Despite the increase in top line, EBITDA margin moderated from 32.66% in FY2022 to 28.36% in FY2023 due to a one-off increase in operational and administrative expenses post opening of schools and colleges after COVID induced lockdown. Most of the schools and colleges operating under the UEG had to undergo a one off high amount of repairs and maintenance expense in FY2023 which led to the decrease in operating margin. Nevertheless, on absolute terms, EBITDA increased from Rs.115.96 crore in FY2022 to Rs.131.77 crore in FY2023. With decrease in EBITDA margin, PAT margin also moderated from 16.10% in FY2022 to 12.28% in FY2023.

## Press Release

Nevertheless, gross cash accruals improved from Rs.70.12 crore in FY2022 to Rs.80.32 crore in FY2023.

Further, the Group achieved a PBT of Rs.75.95 crore on a TOI of Rs.398.14 crore during 9MFY2024 as against a PBT of Rs.49.34 crore on a TOI of Rs.351.64 crore during 9MFY2023. The ability of the group to sustain the growth in scale of operations without further compromise in margins will be critical from rating perspective.

### **Key Rating Weaknesses:**

**Leveraged capital structure of the Group with moderate debt protection parameters; albeit improvement in FY23**

The debt profile of the group majorly consists of term loans from banks, unsecured loans from promoters & their relatives and bank overdrafts. The long-term debt equity ratio and overall gearing though improved from 1.37x and 1.51x respectively as on March 31, 2022, to 1.16x and 1.21x respectively as on March 31, 2023 (considering subordinated unsecured loans from promoters and relatives of Rs.276.77 crore as on March 31, 2022, and Rs.303.65 crore as on March 31, 2023, as quasi equity) yet remained moderate. The improvement in capital structure is attributable to accretion of profits to reserves. Further, the debt coverage indicators though improved yet remained moderate with ICR of 2.05x (2.31x in FY2022) in FY23, total debt/EBITDA of 6.36x (7.48x as on March 31, 2022) and total debt/GCA of 10.44x (12.38x as on March 31, 2022) as on March 31, 2023. Total indebtedness as reflected by TOL/TNW (including quasi equity) remained comfortable at 2.04x as on March 31, 2023.

### **Susceptibility to regulatory risks**

The education sector is highly regulated and compliance with specific operational and infrastructure norms set by regulatory bodies are important. Thus, regular investment in the workforce and infrastructure is needed to conduct the operations efficiently.

### **Intense competition**

UEG faces intense competition from reputed public and private institutes in the nearby states. This puts pressure on attracting / retaining talented students and faculty.

### **Analytical Approach: Combined**

### **Liquidity: Adequate**

The liquidity of the Group is expected to remain adequate in the near term marked by its expected sufficient cash accruals vis-à-vis its debt repayment obligations of Rs.62.60 crore in FY24, Rs.63.89 crore in FY25 and Rs.73.93 crore in FY26. The UEG earned a gross cash accrual of Rs.80.32 crore in FY23. Also, with the resourcefulness and its established presence, Infomerics, do not envisaged much difficulty for the group in meeting its debt obligations in the near term. The group had free cash and cash equivalent of Rs.37.30 crore as on December 31, 2023. The current ratio of the Group also stood comfortable at 2.20x as on March 31, 2023.

### **About the Trust**

Established in 2000, SCT is a part of UE Group and is registered under the Bombay Public Trust Act 2000. The trust was formed for the purpose of setting up a new IB Curriculum school in Mumbai, Maharashtra in the name of Stellar World School which commenced operations from September 2022 onwards.
