#### Ratings

The rating has been reaffirmed and continued under 'ISSUER NOT COOPERATING' category due to non-submission of information and lack of management co-operation.

#### Detailed Rationale

The rating reaffirmation is because of lack of adequate information regarding Ess and Bee International performance and hence the uncertainty around its credit risk. Infomerics Valuation and Rating Limited (Formerly Infomerics Valuation and Rating Private Limited) (IVR) assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The rating was due for review on April 19<sup>th</sup>, 2025. IVR took up with issuer to provide required information vide multiple E-mail communications latest by May 23, 2025, and through various telephonic calls. Despite the best efforts of IVR to get the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the entity, IVR is unable to assess the entity's financial performance and its ability to service its debt and maintain a valid rating. Hence, on account of inadequate information, IVR is unable to assess the entity's financial performance and its ability to service its debt and maintain a valid rating. Accordingly, the lenders, investors and other users of this rating are requested to
