#### Ratings

The rating has been downgraded/reaffirmed under 'ISSUER NOT COOPERATING' category due to non-submission of information and lack of management co-operation.

#### Detailed Rationale

The rating revision is because of lack of adequate information regarding PWDS Extrusions Private Limited (PEPL) performance and hence the uncertainty around its credit risk. Infomerics Valuation and Rating Limited (IVR) assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

IVR has rated the bank loan facilities PWDS Extrusions Private Limited (PEPL) on March 21<sup>st</sup>, 2024. Despite close follow up through telephone calls and mails dated March 21, 2025, April 4, 2025, April 15, 2025, and concurrently over several phone calls for submission required information for review and failure to submit minimum required information for a review is considered as an act of non-cooperation. In the absence of adequate information from the

## Press Release

company, IVR is unable to assess the company's financial performance and its ability to service its debt and maintain a valid rating. Accordingly, the lenders, investors and other users of this rating are requested to exercise adequate caution while using this rating as this rating may not adequately reflect the current credit risk profile of the firm. Based upon the same, Infomerics Ratings (IVR) has downgraded the long-term to IVR B+ with negative outlook and reaffirm the short-term rating to IVR A4, under ISSUER NOT COOPERATING.

### **Non-cooperation by Issuer**

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long-term and short-term rating for the bank loan facilities of PEPL aggregating to Rs. 39.50 crore have been continued under 'ISSUER NOT COOPERATING' category by Infomerics and the long-term and short-term rating to be noted as IVR B+/ Negative/ A4, under ISSUER NOT COOPERATING; based on best available information.

**Analytical Approach:** For arriving at the ratings, IVR has analysed PEPL's credit profile by considering the standalone financial statements of the company.
