Press Release

Details of Facilities/Instruments are in Annexure 1. Facility wise lender details are at Annexure 2. Detailed explanation of covenants is at Annexure 3.

Detailed Rationale

Infomerics has reaffirmed the ratings of India Home Loan Limited and moved to 'Issuer Not Cooperating' category due to lack of adequate information, non-payment of annual surveillance fees and the uncertainty around its credit risks. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as this rating may not adequately reflect the credit risk profile of the entity.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data & NDS to monitor its assigned rating to the bank facilities, vide mail communications dated September, 09, 2024, September 13, 2024, September, 23 2024 and September, 27, 2024 concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details/information for surveillance exercise.

Availability of information is very critical in the rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long-term rating for the bank facilities aggregating to Rs. 46.97 Crore and NCD aggregating to Rs.18.45 crore has been reaffirmed at IVR D; migrated to ISSUER NOT COOPERATING category by Infomerics.
