#### Ratings

The rating has been downgraded and continued under 'ISSUER NOT COOPERATING' category due to non-submission of information and lack of management co-operation.

#### **Detailed Rationale**

The rating revision is because of lack of adequate information regarding Atlas Pet Plas Industries Limited Performance and hence the uncertainty around its credit risk. Infomerics Valuation and Rating Private Limited (IVR) assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

## **Press Release**

The rating was due for review in April 2023. IVR took up with issuer to provide required information vide multiple E-mail communications latest by May 25, 2023, and through various telephonic calls. Despite the best efforts of IVR to get the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the entity, IVR is unable to assess the entity's financial performance and its ability to service its debt and maintain a valid rating. IVR has been regularly seeking No default statement (NDS) from the entity and the same has not been submitted. Hence, on account of inadequate information, IVR is unable to assess the entity's financial performance and its ability to service and its ability to service its debt and maintain a valid rating are requested to exercise adequate caution while using this rating as this rating may not adequately reflect the current credit risk profile of the company.

#### Non-cooperation by Issuer

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long-term rating for the bank loan facilities aggregating to Rs. 12.50 Crore of M/s Atlas Pet Plas Industries Limited have been downgraded and continued under 'ISSUER NOT COOPERATING' category by Infomerics and the rating for the long term be noted as IVR B-/Negative/ISSUER NOT CO-OPERATING; based on best available information.
