Detailed Rationale

Infomerics has downgraded the ratings and moved the ratings assigned to the bank facilities of B-One Business House Private Limited (BOne) to ISSUER NOT COOPERATING category because of lack of adequate information for rating review from the company and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy. The long-term rating outlook has been changed from Stable to Negative due to information availability risk.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.

Non-cooperation by Issuer

Press Release

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities vide E-mail communications dated December 05, 2024, March 05, 2025, March 07, 2025 and March 11, 2025 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the surveillance fees and all the essential details required for detailed review of the assigned rating.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long-term and short-term ratings of the bank loan facilities aggregating to 184.72 crore of B-One shall be moved to the 'ISSUER NOT COOPERATING' category by Infomerics and the long-term rating will be noted as "IVR BBB/ Negative ISSUER NOT COOPERATING; Based on best available information (IVR Triple B with Negative outlook Issuer Not Cooperating; Based on best available information)" and short-term rating will be noted as IVR A3+ ISSUER NOT COOPERATING; Based on best available information (IVR A Three Plus Issuer not cooperating; Based on best available information).
