information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the rating revision.

### Note on non-cooperation

Infomerics has repeatedly followed up with the company to provide information to monitor the ratings vide emails last being dated May 16, 2024, along with telephonic conversations. However, despite repeated requests, the company has failed to submit data for review.

Availability of information is very critical in rating exercise. In the absence of the relevant information, in consonance with SEBI guidelines, Infomerics has downgraded the ratings assigned to the bank loan facilities of Bright Packaging Private Limited aggregating to INR 9.00 crore and moved it to 'ISSUER NOT COOPERATING' category. The rating is now denoted as IVR BB+/ Negative Outlook; ISSUER NOT COOPERATING for the long-term bank facilities and IVR A4+; ISSUER NOT COOPERATING for the short-term bank facilities.
