Detailed Rationale

Infomerics has downgraded and continued to keep the long-term rating assigned to the bank facilities of GRK Theatres Private Limited's (GRK) in the ISSUER NOT COOPERATING category because of lack of adequate information for rating review from the company and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its ratings and reviews the same as per its policy. The long-term rating outlook remains negative due to information availability risk. The lenders, investors and other market participants are thus advised to exercise appropriate caution while using these ratings as the ratings may not adequately reflect the credit risk profile of the entity.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data & NDS to monitor its assigned ratings to the bank facilities, vide mail communications dated February 28, 2025, April 2, 2025, April 7, 2025, April 25, 2025, April 29, 2025, May 2, 2025, May 7, 2025, June 3, 2025, and concurrently over several phone calls. However, despite

Press Release

repeated requests by Infomerics, the company's management has not submitted surveillance fees, and all the essential details required for detailed review of the assigned ratings.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the ratings based on the best available information. Accordingly, the ratings assigned to the bank loan facilities aggregating to INR 51.25 crore of GRK Theatres Private Limited shall be continued under the 'ISSUER NOT COOPERATING' category by Infomerics and the long-term rating be noted as 'IVR C+/ Negative ISSUER NOT COOPERATING' based on best available information (IVR C plus with negative outlook Issuer not cooperating based on best available information).
