### Details of Facility are in Annexure 1

### Detailed Rationale

The revision in the ratings assigned to the bank facilities of Gupta Power Infrastructure Limited is on account of delays observed in the debt servicing obligations by the company owing to its stretched liquidity position, resulting in classification of the account as non-performing asset (NPA) by the bankers.

## Press Release

Infomerics have also continued the rating in the Issuer Not Cooperating category because of lack of adequate information regarding the company's performance and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the company is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.

### **Non-cooperation by Issuer**

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide E-mail communications dated June 7, 2023, June 27, 2023, August 16, 2023, August 21, 2023, August 28, 2023 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted surveillance fees and all the essential details required for detailed review of the assigned ratings.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long term rating of the bank loan facilities aggregating to Rs.1,180.00 crore shall be continued under the 'ISSUER NOT COOPERATING' category by Infomerics and the ratings be noted as 'IVR D ISSUER NOT COOPERATING' based on best available information (IVR D Issuer Not Cooperating; Based on best available information) and the short term rating of the bank loan facilities aggregating to Rs. 2,780.00 crore shall be continued under the 'ISSUER NOT COOPERATING' category by Infomerics and the ratings be noted as 'IVR D ISSUER NOT COOPERATING' based on best available information (IVR D Issuer Not Co-operating; Based on best available information) of Gupta Power infrastructure Limited.
