**Details of Facilities are in Annexure 1**

## Press Release

### **Detailed Rationale**

The NCDs amounting to Rs. 150 Cr. have been fully repaid and delisted from BSE and same has been withdrawn in accordance with Infomerics' policy on withdrawal and as requested by the company.

The rating to the Proposed term loan and Commercial Paper have been withdrawn based on the request of the company; as the company has not raised funds on the proposed rated facilities.

The proposed NCD amounting to Rs. 120 Cr has been reduced to Rs. 50 Cr. based on company's request.

The Rating Watch has been revised from Developing Implication to Negative Implications on account of ongoing merger of certain assets of Embassy group with IBREL and its likely impact on the credit risk profile of IBREL. Infomerics will continue to monitor the developments in this regard and will resolve the watch once further clarity emerges on the merger transaction and the actual impact on the overall credit profile of IBREL is ascertained.

The ratings on the debt facilities of Indiabulls Real Estate Limited (IBREL or 'Company') takes into consideration the overall gross debt reduction from Rs. 1,287 Cr as at end of Q3FY22 Rs. 370 Cr. in Q3FY23 and large amount of unrecognised revenue from inventory already sold of Rs. 6,362 Cr. which shall be recognised in P&L upon receipt of OC as per the Ind-As Accounting Standard.

The ratings continue to reflect Experienced management team and Established Track Record, Improving Capital Structure and Availability of Land Bank and Unsold Inventory. The ratings also factor Moderate financial risk profile, High Dependence on Customer Advances and Cyclical Nature of Industry, Subject to Regulations.

### **Key Rating Sensitivities:**

#### **Upward Factors**

- Reduced inventory with improved cash flow and revenue growth on a consistent basis will lead to positive rating action.

## Press Release

### **Downward Factors**

- Any significant time & cost overrun in its ongoing projects.
- Slower than expected sales
- Any decline in revenue and/or profitability and increase in debt and inventory levels leading to deterioration in credit metrics.

### **List of Key Rating Drivers with Detailed Description:**

#### **Key Rating Strengths:**

##### **Experienced management team**

Indiabulls is a well-diversified group and has emerged as one of the leading business conglomerates in country with business interests across sectors like consumer finance, real estate, infrastructure & construction leasing, pharmaceuticals etc. The operations of the company are professionally managed by competent personnel and IBREL would continue benefiting from its experienced and qualified management of Indiabulls group.

##### **Improving capital Structure**

IBREL's capital structure has seen a substantial improvement in the recent years. With the business strategy of focusing on asset light model, the company has divested much of its properties and assets and reduced its debt from the sales proceeds. The long-term debt to equity ratio moved from 0.84x in FY20 to 0.15x in FY22. The credit metrics are expected to improve further in the upcoming years. The company raised Rs. 865 Cr. through issue of shares to institutional investors. Company had launched its QIP (Qualified Institutional Placement) issue on March 7 and closed it on April 12, 2022. The Company also entered a term sheet for Disposal of Land Parcel in Gurgaon. Proceeds from above were primarily used towards retirement of certain existing debt, customer refund liabilities, and construction of various ongoing projects keeping it in lines with company's goal of zero net debt in the current financial year.

##### **Availability of Land Bank and Unsold Inventory**

The company through acquisitions and government allotments has created a sizeable land bank of 1856 acres spread across Mumbai, NCR, Chennai. This land bank is sufficient for proposed development over the next 5-7 years. In addition to the said land bank, the

## Press Release

company also possesses 1,424 acres of SEZ land in Nashik, Maharashtra. As on Dec 31, 2022, total sold receivables stood at Rs. 2,302 crore and unsold inventory of Rs. 9,597 crore, providing revenue visibility.

### **Key Rating Weaknesses:**

#### **Moderate financial risk profile**

The total operating income of the company stood at Rs. 1444.78 Cr. for FY22; a 5% decline from the previous year wherein the revenue stood at Rs. 1521.42 Cr. in FY21. This was mainly on account of change in revenue recognition method of the company to Ind AS 115 “Revenue from Contracts with Customers”. Further resulting into decline in overall profitability of the company with negative EBITDA and PAT standing at Rs. -137.29 Cr. and Rs. -1.49 Cr. respectively in FY22.

Also, the revenue declined by ~60% in Q3FY23 as compared to Q3FY22 with total operating income in Q3FY23 standing at Rs. 478.62 Cr. as against Rs. 1191.85 Cr. in Q3FY22. The company reported an operating loss of Rs. 190.86 Cr. in Q3FY23 against an operating profit in Q3FY22. Similarly, the company reported net loss of Rs. 231.81 Cr. in Q3FY23 against net profit in Q3FY22.

#### **High Dependence on Customer Advances**

The company primarily depends on advances received from its customers and external borrowings to fund its operations. With the strategy to reduce the total debt to zero, IBREL's future operations would depend largely on the advances received from the customers. However, as per the principles of Ind AS 115; currently customer advances accounts to the entire collection made towards the projects are and remain pending to be recognized as revenue due to receipt of OC remaining pending.

#### **Cyclical Nature of Industry; Subject to Regulations**

Real estate industry is unorganized, localized, and subject to local and central regulations. The Indian real estate industry is highly cyclical with volatile cash flows. The sector is also

## Press Release

subject to multiple regulatory approvals; thus, the timely receipt of regulatory approval is critical for the timely launches of new project phases and future sales/collections.

### **Analytical Approach:** Consolidated Approach

Infomerics has taken consolidated approach of evaluation by combining the financial results of Indiabulls Real Estate Limited and its subsidiaries as they are in the same line of businesses (real estate), under a common management. IBRL operates by way of separate subsidiaries for its various projects. List of the subsidiaries consolidated is provided in Annexure 2.
