Instrument / Facility	Amount (Rs. crore)	Ratings	Rating Action	Complexity Indicator
Issuer Rating	Not Applicable	IVR BB+ (Is); Issuer Not Cooperating* (IVR Double B Plus (Is); Issuer Not Cooperating*)	Revised from IVR A (Is)/ Stable and moved to ISSUER NOT COOPERATING category	Not Applicable

**Issuer did not cooperate; based on best available information*

Details of Facilities are in Annexure 1

Detailed Rationale

The revision in Issuer Rating of Mitsumi Distribution FZCO (MDF) reflects lack of adequate information available, non-payment of annual surveillance fees and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned Issuer Rating vide mail communications dated February 07, 2022, February 21, 2022, February 25, 2022, and March 8, 2022 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted all the essential details and the surveillance fees required for monitoring the ratings.

Availability of information is very critical in the rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the Issuer Rating assigned to MDF has been moved to the 'ISSUER NOT COOPERATING' category by Infomerics.
