### **Press Release**

#### **Detailed Rationale**

The revision in the ratings assigned to the bank facilities of Mohit Ispat Private Limited reflects lack of adequate information available about the performance of the company and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the rating revision.

#### Note on non-cooperation

Infomerics has repeatedly followed up with the company to provide information to monitor the ratings vide emails last being dated Nov 08, 2023, along with telephonic conversations. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details/information for surveillance exercise.

Availability of information is very critical in rating exercise. In the absence of the relevant information, in consonance with SEBI guidelines, Infomerics has continued the ratings assigned to the bank loan facilities of Mohit Ispat Private Limited aggregating to INR 74.45 crore in the 'ISSUER NOT COOPERATING' category. The rating is now denoted as IVR BB/ Negative; ISSUER NOT COOPERATING for the long-term bank facilities and IVR A4; ISSUER NOT COOPERATING for the short-term bank facilities.
