Detailed Rationale

Infomerics has revised and moved the rating assigned to the bank facilities of Shree Shakambari Ferro Alloys Private Limited (SSFAPL) to ISSUER NOT COOPERATING category because of lack of adequate information for rating review from the company and hence the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide E-mail communications dated July 04, 2023, September 01, 2023, October 03, 2023, October 04, 2023 and October 05, 2023 and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details required for detailed review of the assigned ratings.

Press Release

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information. Accordingly, the long term rating of the bank loan facilities aggregating to 37.76 crore of SSFAPL shall be moved to the 'ISSUER NOT COOPERATING' category by Infomerics and the long term rating will be noted as IVR BB/ Negative ISSUER NOT COOPERATING Based on best available information (IVR Double B with Negative outlook Issuer Not Cooperating based on best available information).
