Detailed Rationale

The revision in the rating assigned to the bank facilities of Shyama Jewels Sourcing Private Limited (SJSPL) reflects lack of adequate information available and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lender, investors and other market participants are thus advised to exercise appropriate caution while using this rating as this rating may not adequately reflect the credit risk profile of the entity.
