Detailed Rationale

¹ As stipulated vide SEBI circular no. SEBI/ HO/ MIRSD/ MIRSD_CRADT/ P/ CIR/ 2021/ 554 dated April 27, 2021

Press Release

Trust Investment Advisors Private Limited (TIAPL) was initially assigned a provisional rating which was disseminated via press release dated April 21, 2022. The company has informed that their NCD placement is under process and requested for the extension of provisional rating for next 3 months for finalising the banking facilities. Therefore, Infomerics provides an extension of 90 days to the company to complete all formalities.

The aforesaid rating action on the Commercial Paper issue and proposed NCD issue of Trust Investment Advisors Private Limited (TIAPL) continues to derive comfort from established operational track record & experienced promoters and established relationships with strong institutional clients & investors. However, the rating is constrained by interest rate risk and competition.

Key Rating Sensitivities:

Upward Factor:

- Substantial & sustained improvement in the revenue & profitability margin while maintaining the debt protection metrics.

Downward Factor:

- Any significant decline in revenue and/or profitability margin leading to decline in debt protection metrics.

Detailed Description of Key Rating Drivers

Key Rating Strengths

Established operational track record and experienced promoters

The Trust group has presence in merchant banking, wealth management, advisory business, and portfolio management services. The group offers a wide array of financial services to domestic and overseas clients. Trust group has substantially expanded its portfolio advisory services through Chanakya Capital Partners which is the advisory arm of the group catering to international clients. The group has been able to fortify its presence in both capital markets with its strong sourcing, structuring, underwriting and distribution capabilities for debt issuances. Trust group has been associated with some of the marquee issues like Bank of India, IDBI bank, KKR group, NHAI, Bajaj group and L & T Finance Limited amongst others. The group's clientele includes leading banks, family offices, provident funds and high network

individuals (HNIs). The group has also demonstrated expertise in structuring and syndication of innovative and marquee structured transactions.

Established relationships with strong institutional clients and investors

Due to the established presence and long track record of operations in the domestic market, TIAPL enjoys a large institutional client base including Banks, Insurance companies, Mutual funds and Large Corporates.

Key Rating Weaknesses

Interest rate risk

All the securities are exposed to an inherent interest rate risk which depends on various factors & market conditions, although low in Government securities.

Competition

The industry is characterized by competition from various players to tap the market share at competitive pricing strategy.

Analytical Approach: Consolidated

Infomerics has taken a consolidated view on the Trust Capital Services (India) Private Limited (Holding Company) and its subsidiaries, namely Trust Investment Advisors Private Limited, Trust Securities Services Private Limited, Sankhya Financial Services Private Limited, Trust Asset Management Private Limited, Chanakya Capital Partners and Trust AMC Trustee Private Limited collectively referred to as 'Trust group'. This because of the common promoters, shared brand name, significant operational and financial synergies between the companies.

Liquidity - Adequate

Trust group's (Consolidated) assets as on March 31, 2021, mostly comprises of liquid investments in PSU bonds and corporate bonds. These assets are largely held for trading activities, so there is no scheduled repayment against them. The group also has moderate exposures to certain non-core assets such as advances for property, loans/investments to sister concerns. The management expects to unwind some of these exposures over the near term. The borrowings comprise a mix of pledge based overdraft, commercial paper, non-convertible debentures (NCDs) and loans from sister concerns.

Validity of the Provisional Rating:

The provisional rating shall be converted into a final rating after receipt of the duly executed transaction documents/ completion of the steps, mentioned above within 90 days from the date of issuance of the instrument. An extension of 90 days may be granted on a case-to-case basis in line with Infomerics' Policy on Provisional Ratings.

Risks associated with provisional nature of credit rating:

When a rating is assigned to debt instruments pending execution of certain crucial documents/ steps to be taken, the rating is a 'Provisional' rating and is indicated as such by prefixing 'Provisional' before the rating symbol. Once the steps/actions are completed/ the required documentation is executed to the satisfaction of Infomerics, the provisional rating is converted into final rating by Infomerics. In absence of receipt of documents/ completion of steps or where such documents deviate significantly from that considered by Infomerics earlier, the provisional rating will be reviewed in line with the Policy on Provisional Ratings.
