<b>Total</b>	<b>150.00</b>			

**Details of instruments are in Annexure 1**

#### **Detailed Rationale**

Trust Investment Advisors Private Limited (TIAPL) was initially assigned a provisional rating to Rs.150 crore of proposed NCD, which was disseminated via press release dated October 26, 2022. The company has placed Rs.85 crore of NCD.

The aforesaid rating action on the proposed NCD issue of Trust Investment Advisors Private Limited (TIAPL) continues to derive comfort from established operational track record & experienced promoters and established relationships with strong institutional clients & investors. However, the rating is constrained by interest rate risk and competition.

#### **Key Rating Sensitivities:**

##### **Upward Factor:**

- Substantial & sustained improvement in the revenue & profitability margin while maintaining the debt protection metrics.

##### **Downward Factor:**

- Any significant decline in revenue and/or profitability margin leading to decline in debt protection metrics.

## Press Release

### **Detailed Description of Key Rating Drivers**

#### **Key Rating Strengths**

##### **Established operational track record and experienced promoters.**

The Trust group has presence in merchant banking, wealth management, advisory business, and portfolio management services. The group offers a wide array of financial services to domestic and overseas clients. Trust group has substantially expanded its portfolio advisory services through Chanakya Capital Partners which is the advisory arm of the group catering to international clients. The group has been able to fortify its presence in both capital markets with its strong sourcing, structuring, underwriting and distribution capabilities for debt issuances. Trust group has been associated with some of the marquee issues like Bank of India, IDBI bank, KKR group, NHAI, Bajaj group and L & T Finance Limited amongst others. The group's clientele includes leading banks, family offices, provident funds and high networth individuals (HNIs). The group has also demonstrated expertise in structuring and syndication of innovative and marquee structured transactions.

##### **Established relationships with strong institutional clients and investors**

Due to the established presence and long track record of operations in the domestic market, TIAPL enjoys a large institutional client base including Banks, Insurance companies, Mutual funds and Large Corporates.

##### **Proposed Structured Payment Mechanism with inclusion of Debt Service Reserve Account**

Under the structured payment mechanism for the proposed NCD, an amount equivalent to 20% of the outstanding principal amount shall be maintained in the DSRA account, the amount deposited in the DSRA account can only be invested in the form of cash, Fixed Deposit with any Scheduled Commercial Banks (having a credit rating of at least A in case of a PSU Bank or AA in case of a private sector Bank), Sovereign Debt Securities or AAA rated listed Debt Securities in any combination. The DSRA assets would be pledged in favour of the Debenture Trustee & would need to be created within 7 days from the deemed date of allotment.

## Press Release

### **Key Rating Weaknesses**

#### **Interest rate risk**

All the securities are exposed to an inherent interest rate risk which depends on various factors & market conditions, although low in Government securities.

#### **Competition**

The industry is characterized by competition from various players to tap the market share at competitive pricing strategy.

#### **Analytical Approach: Consolidated**

Infomerics has taken a consolidated view on the Trust Capital Services (India) Private Limited (Holding Company) and its subsidiaries, namely Trust Investment Advisors Private Limited, Trust Securities Services Private Limited, Sankhya Financial Services Private Limited, Trust Asset Management Private Limited, Chanakya Capital Partners and Trust AMC Trustee Private Limited collectively referred to as 'Trust group'. This because of the common promoters, shared brand name, significant operational and financial synergies between the companies.
