assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as this rating may not adequately reflect the credit risk profile of the entity.

### **Non-cooperation by Issuer**

Infomerics has been regularly following up with the company to provide the required data & NDS to monitor its assigned rating to the bank facilities, vide mail communications dated September 02, 2024, September 04, 2024, September 05, 2024, and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details/information for surveillance exercise.

Availability of information is very critical in the rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

Accordingly, the rating for the bank facilities of ULCCS aggregating to Rs. 697.23 crore has been downgraded and continued under ISSUER NOT COOPERATING category at IVR B/Negative; ISSUER NOT COOPERATING based on best available information by Infomerics Ratings.
