\*Issuer did not cooperate; based on best available information

Details of Facilities/Instruments are in Annexure 1. Facility wise lender details are at Annexure 2. Detailed explanation of covenants is at Annexure 3.

#### **Detailed Rationale**

Infomerics Ratings has downgraded the rating assigned to the bank facilities of Vinsum Axpress India Private Limited (VAIPL) because of non-cooperation by the company despite repeated follow ups and lack of adequate information leading to information availability risk and hence uncertainty around its credit risk.

Infomerics Ratings assesses whether the information available about the company is commensurate with its rating and reviews the same as per its policy. The outlook has been revised from stable to negative due to information availability risk.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.

#### Non-cooperation by Issuer

Infomerics Ratings has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities, vide E-mail communications dated September 26, 2024, October 28, 2024, November 4, 2024, November 7, 2024, and

## **Press Release**

November 8, 2024, and concurrently over several phone calls. However, despite repeated requests by Infomerics Ratings, the company's management has not submitted all the essential details required for detailed review of the assigned ratings.

Availability of information is very critical in rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics Ratings has to assign the rating based on the best available information.

#### Analytical Approach: Standalone

#### Applicable Criteria:

Guidelines on what constitutes Non-Cooperation by clients
Policy of default recognition
Criteria of assigning Rating outlook
Rating Methodology for Service Sector companies
Financial Ratios & Interpretation (Non-Financial Sector)
Criteria on complexity

Liquidity: Unable to comment due to non-availability of information despite repeated follow ups.
