### **Detailed Rationale**

Infomerics Ratings has downgraded the ratings assigned to the bank facilities of M/s Omvir Singh because of non-cooperation by the firm despite repeated follow ups and lack of adequate information leading to information availability risk and hence uncertainty around its credit risk.

Infomerics Ratings assesses whether the information available about the firm is commensurate with its rating and reviews the same as per its policy. The outlook is revised from 'Stable' to 'Negative' due to information availability risk.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.
