<b>Unsupported Rating<sup>1</sup></b>	IVR BB+/ Stable
<b>Rating in the absence of the pending steps/ documents<sup>2</sup></b>	IVR BB+/ Stable

*Note: Unsupported Rating does not factor in the explicit credit enhancement*

### Detailed Rationale

The ratings assigned to the debt facility of Tapir Constructions Limited derive comfort from Support from Diversified Group with experienced promoters, Available Land Bank and Strategic Location of the project. The corporate guarantee results in an enhancement in the rating of the said instrument to IVR AA- (CE)\* / Credit Watch with Developing Implication & IVR A1+ (CE) against the unsupported rating of IVR BB+/ Stable.

### Key Rating Sensitivities:

#### Upward Factors

- Completion of Project within stipulated cost.
- Timely sale of flats and adequate cash flow generation.

#### Downward Factors

- Inadequate and untimely cash flows to the ESCROW account to meet the debt obligations for the projects.
- Changes in regulatory requirement & risk associated with real estate industry.

The guarantee is legally enforceable, irrevocable, unconditional and covers the entire amount and tenor of the rated instrument. The support from Corporate Guarantor results in an enhancement in the rating of the said instrument to IVR AA- (CE)\* / Credit Watch with Developing Implication & IVR A1+ (CE) against the unsupported rating of IVR BB+/ Stable.

### **Transaction structure:**

- The Issuer shall ensure and Debenture Trustee shall confirm that atleast T-7 business days prior to the Quarter End the Minimum Collection Run Rate in the NCD Servicing Account herein abovementioned has been achieved by the Issuer, wherein respective Quarter End is "T" day.

### List of Key Rating Drivers with Detailed Description

#### Key Rating Strengths

##### **Support from Diversified Group with experienced promoters**

Indiabulls is a well-diversified group and has emerged as one of the leading business conglomerates in country with business interests across sectors like consumer finance, real estate, infrastructure & construction leasing, pharmaceuticals etc. Mr. Narendra Gehlaut also has leadership experience of more than a decade in construction industry and Indian real estate market. IBREL would continue benefiting from its promoters' and management personnel's industry experience.

Tapir Constructions Limited (TCL) is a fully owned subsidiary of Indiabulls Real Estate Limited (IBREL). The proposed NCD is backed by unconditional and irrevocable corporate guarantee is issued by Indiabulls Real Estate Limited to the lenders of the company for the repayment obligation on the said facility.

##### **Available Land Bank**

Indiabulls Real Estate Limited (IBREL) has a fully paid Land Bank of 1,929 acres, of which around 95% is spread across metro cities of Mumbai, NCR and Chennai region. Additionally, the company also has 1,424 acres of SEZ land in Nashik, Maharashtra. With its focus on core markets of Mumbai and NCR, this portion of land bank would tend to complement the current business strategy.

##### **Strategic Location of the project**

Tapir Constructions Limited (TCL) is involved in developing a project – 'One Indiabulls' located at Pokhran Road, Thane. Thane is one of the affordable micro markets in Mumbai Metropolitan Region for residential projects and is a prime location in terms of both social and civic infrastructure and the project shall benefit from such infrastructure. The project is close to proposed Metro Station (Wadala-Kasavadavali corridor) and major arterial roads (Eastern Expressway & Ghodbunder Road). ## Press Release

highways, public transport, and a lot more can be accessed from the project without worrying about long-distance traveling. The project is situated at a walking distance from Eastern Express Highway and near Viviana Mall, Jupiter Hospital and Singhanian School.

### **Key Rating Weaknesses**

#### **Nature of real estate industry subject to regulations**

The real estate sector is volatile in nature with an inherent liquidity risk associated to it. There may be fluctuations in cash flows due to delayed realization & changes in regulatory requirements. The central law RERA provided the basic framework of consumer protection in real estate transactions: raising disclosure requirements of builders, bridging existing information asymmetry between buyers and builders, and ring-fencing the money paid upfront by buyers.

#### **High dependence on Customer advances**

Primarily, the company depends on advances received from its customers and external borrowings to fund its operations. With the strategy to reduce the total debt to zero, IBREL's future operations would depend largely on the advances received from the customers. Any unexpected deviations from the customer receivables would result in delay in company's commitments and have a contagion effect on its financials.

### **Analytical Approach:**

Unsupported rating: Standalone Approach

Credit Enhancement (CE Rating): CE rating is based on an unconditional & irrevocable Corporate Guarantee issued by Indiabulls Real Estate Limited (IBREL) to the lenders of the Company for the repayment obligation on the said facility.
