Rating

Facilities	Amount (Rs. crore)	Ratings	Rating Action
Long term Facility – Non Convertible Debenture (NCD)	72.67 (reduced from Rs. 100.00 crore)	IVR BB/ Stable Outlook; (IVR Double B with Stable Outlook)	Re-affirmed
Total	72.67 (Seventy Two Crore and sixty seven lakhs)		

Details of Facilities are in Annexure I

Detailed Rationale

The rating continues to derive strength from experienced promoters along with an extensive and credible track record of the group (projects completed in past by promoters), strategic location and strong partnership. However, the rating strengths are partially offset by chance of time and cost overrun, susceptibility to cyclicity inherent in the real estate sector.

Key Rating Sensitivities

Upward rating factor(s) –

Press Release

Scheduled progress of the project and sale of flats leading to adequate cash flow generation may lead to a positive rating action

Downward rating factor(s) –

Any delay in scheduled progress due to company specific or external factor and/or slower than expected sale of flats may lead to a negative rating action

Key Rating Drivers with detailed description

Key Rating Strengths

Experienced promoters along with an extensive and credible track record of the group (projects completed in past by promoters)

Promoters of the company had a long track record of more than two decades in the real estate sector. The promoters are supported by a team a qualified & experienced management. The group to which the company's promoters are common have an extensive track record of multiple projects throughout the years.

Strategic location

The location of Marol, in Andheri East is one of the prime locations for hospitals, educational institutes, recreational activities and many other required amenities. The road connectivity throughout the area is good.

Strong partnership

The company has partnered with The Design Architects - P&T Consultants Private Limited (Singapore) and The Landscape Designer - Sitetectonix Private Limited (Singapore). Thus, the partners are credible, and the construction may avoid any time and cost overrun.

Key Rating Weaknesses

Chance of time and cost overrun

Even though all precautions and steps are taken by the company to avoid time and cost overrun, there is always a scope of such a happening due to unforeseen circumstances.

Press Release

However, the company has picked up on any time and cost overrun that might have occurred due to the lockdown scenario of the COVID-19 pandemic.

Susceptibility to cyclicality inherent in the real estate sector

The real estate sector is volatile in nature with an inherent liquidity risk associated to it. There may be fluctuations in cash flows due to delayed realization & changes in regulatory requirements. The uncertainty pertaining around COVID-19 and its potential subsequent waves and lockdowns also has denied the demand for commercial as well as residential real estate properties.

Analytical Approach: Standalone Approach

Applicable Criteria

Rating Methodology for Infrastructure Companies

Financial Ratios & Interpretation (Non-Financial Sector)

Liquidity – Stretched

The company maintains moderate cash and bank balance to meet its liquidity requirements. The projected DSCR is in moderate territory. Any delay or slow down in the sales is expected to put pressure on the cash flows of the company. The overall liquidity position of the company is **Stretched**.
