### Details of Facility are in Annexure 1

#### Detailed Rationale

The rating takes in to account the delays in debt servicing by the company. We understand that as per original sanction, the company was advised by the Bank to reduce the credit limits. However on their failure to reduce the limit on their own, Bank had reduced the existing limit consequent to which the account is overdrawn and is irregular.

#### Non cooperation by Issuer

Infomerics has repeatedly followed up with the company to provide information to monitor the rating(s) vide e-mails dated February 28, 2019, March 05, 2019, March 07, 2019 and March 14, 2019 and concurrently several phone calls. However, despite repeated requests, the company has failed to submit the relevant details. In the absence of the relevant information, in consonance with SEBI guidelines, Infomerics has moved the long term rating for bank loan facilities of Maple Logistics Pvt. Ltd. aggregating to Rs.100.00 crore to the 'ISSUER NOT COOPERATING' category. The rating is now denoted as IVR D/IVR D ISSUER NOT COOPERATING (pronounced IVR D/IVR D ISSUER NOT COOPERATING). Accordingly, the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the company.

The company has also not paid the fees for conducting rating surveillance as agreed to in the rating agreement.
